Dear Parents,

Excuse us for the long silence, which was unavoidable. All our 9409 children will be well taken care of by SSME Trust till they complete their Senior Secondary Level School Education, with all their existing World-Class State-of-the-Art facilities uninterrupted, coupled with inculcation of Values and Ethics, in spite of all the odds. Come what may, the future of our beloved young ones alone are the paramount concern of the Management.

The undersigned will be pleased to meet the individual Parents sometime later in a congenial atmosphere. Kindly bear till then.

Pray for blessings from Elders and Best Wishes to All.

Loving,

K. Santhanam
Managing Trustee
