Dear Parents,

We have a pleasant news for all parents of SSM Schools – A gift from our beloved Class XII Students of the academic year 2019-2020 – Excellent Results in the CBSE Board Examination March 2020 !

Congratulations to all the students of Class XII !

The achievements of the students are made available in the website for the information of all the stakeholders. The SSM Management is extremely glad to record such magnificent results consistently for the last 35 years.

The students of Class XII, who appeared for the board examination in March 2020, have also contributed their best to continue this tradition. The SSM Management will continue to sacrifice everything at its command, to see that all the 10500 students on roll, come out in flying colours, when they appear for their CBSE Board Examination in Class XII. This tradition is kept intact for more than three and half decades, only because of the fullest cooperation extended by all the parents from time to time, unmindful of different challenges.

The Management, Parents and Students express their heartfelt gratitude to all the teaching and the non-teaching members of the staff, for their untiring efforts, both individually and collectively for such a victory!

Let us pray to the Almighty God to shower all His blessings on the entire SSM Family for such successes forever!

Best Wishes to all and Regards to Elders
